***Mike Welch***

Pastor Mike Welch has been in ministry for 42 years. He was delivered from drug and alcohol addiction at the age of twenty-eight through a powerful encounter with the Lord Jesus Christ.

His ministry began in Evangelism taking him to other nations. In 1993 on a return trip from Jamaica, he felt the call of God to move there and oversee a network of churches that had been established. He and his family remained there for 3 years. After returning to Indiana, they served as Pastors for 18 years.

Since that time, Mike has traveled to 26 nations and has established God With Us International Ministries which includes the work of 130 churches, Bible Training centers in Bolivia & South America, and an Orphanage with 72 children in India.

Mike has been married to his wife, Patty for 50 years. They have two children and three grandchildren.
